

The  
National  
Exhibition  
Centre

Last June, we wrote to inform you about a review we were conducting into the use of venue floor tape.

Following this review, the decision has been made that from **1<sup>st</sup> September 2024** we will be moving to a sole floor tape supplier. This will ensure the correct tape is used, minimising damage, and keeping our halls in good condition for our clients. Please share this information with your contractors.

Details of where this can be purchased are below:
